Re: Wastewater Discharge Permit No. 923-91964-IU

Dear Mr. Barta:

Enclosed please find your Wastewater Discharge Permit as issued by the Great Lakes Water Authority (GLWA). The terms and conditions of this permit are based on applicable law, data and other related information your company has submitted to the Industrial Waste Control (IWC) Division.

This permit contains the specific discharge limitations, effective dates, self-monitoring and reporting requirements for your facility to comply. Please note that any and all penalties, pretreatment schedules, compliance agreements, and/or Administrative Orders previously imposed as a consequence of violations by the industrial user, prior to the issuance of this permit, remain in full force and effect.

In accordance with GLWA Rules any appeal regarding this permit must be submitted in writing within twenty (20) days from the date of mailing of this permit.

Should you have any questions, please contact Ms. Rosam George, of the Permits Section, at (313) 297-5844.

Sincerely,

Stephen J. Kuplicki, P.E., J.D.

The Great Lakes Water Authority ("GLWA") hereby authorizes the Categorical Significant Industrial User specified above to discharge wastewater to the GLWA's sewer system, in accordance with the terms of this Wastewater Discharge Permit. The requirements and conditions established in this permit do not relieve the company of its obligation to comply with any applicable pretreatment regulations, standards, requirements, or laws that may become effective during the term of this permit.

This permit is granted in accordance with the application filed with the GLWA, and in conformity with plans, specifications, and other substantive data submitted to the GLWA in support of the above application. This discharge authorization is granted in accordance with GLWA's Wastewater Discharge Rules, and any applicable provisions of federal or state laws or regulations. **Please note that we expect a pending rule change to become effective during the term of this permit, and a permit modification will be made following written notification.**

It is the responsibility of the Permittee to submit a permit reapplication form at least ninety (90) days before the expiration date of this permit with all supporting documentation and re-certifications. Upon a timely filing, this permit will continue in effect until it is superseded by a successive final Wastewater Discharge Permit.

Effective Date: March 2, 2023  
Expiration Date: March 1, 2026
