Re: Wastewater Discharge Permit No. 936-27517-IU

Dear Mr. Belisle:

Enclosed please find your Wastewater Discharge Permit as issued by the Detroit Water and Sewerage Department (DWSD). The terms and conditions of this permit are based on applicable law, data and other related information your company has submitted to the Industrial Waste Control (IWC) Division.

This permit contains the specific discharge limitations, effective dates, self-monitoring and reporting requirements for your facility to comply. Please note that any and all penalties, pretreatment schedules, compliance agreements, and/or Administrative Orders previously imposed as a consequence of violations by the industrial user, prior to the issuance of this permit, remain in full force and effect.

In accordance with City of Detroit, Ordinance No. 08-05, or equivalent local ordinance, any appeal regarding this permit must be submitted in writing within twenty (20) days from the date of mailing of this permit.

If you have questions, please contact Mr. Thomas Thomas, IWC Permits Section, at (313) 297-5866.

Sincerely,

Stephen J. Kuplicki, P.E.  
Assistant Director, IWC

The Detroit Water and Sewerage Department (DWSD) hereby authorizes the Industrial User specified above to discharge industrial wastewater to the City of Detroit sewer system. This authorization is granted in accordance with the City's Wastewater Discharge Ordinance or equivalent local ordinance and any applicable provisions of federal or state laws or regulations.

The requirements and conditions established in this permit do not relieve the company of its obligation to comply with any applicable pretreatment regulations, standards, requirements, or laws that may become effective during the term of this permit.

In addition, this permit is granted in accordance with the application filed with DWSD, and in conformity with plans, specifications, and other substantive data submitted to the Department in support of the above application.

To continue discharging industrial wastewater after the expiration date, it is the responsibility of the Industrial User to submit an application for permit reissuance at least ninety (90) days before the expiration of the existing permit. The permit reapplication form may be requested from this Department.
