RE: Approval #: _____

Waste Type: _____

Due to my specific knowledge of the process which generated this waste and/or the specific generation source, this waste is not a waste regulated under 40 CFR Subpart D 261.31, "Hazardous wastes from non-specific sources" (Michigan Act 451 R 299.9213), ("F" listed wastes); 40 CFR 261.32, "Hazardous wastes from specific sources" (Michigan Act 451 R 299.9213), ("K" Listed wastes); 40 CFR 261.33, "Discarded commercial chemical products, off specification species, container residues, and spill residues, thereof" (Michigan Act 451 R 299.9214), ("P" and "U" listed wastes). Additionally due to my specific knowledge of this waste and the generating facility, this waste does not contain the following pesticides or herbicides; endrin, heptachlor, lindane, methoxychlor, chlordane, toxaphene, 2,4-D, 2,4,5-TP Silvex.

This waste will only be characterized under the provisions in 40 CFR Subpart C 261.20 through 261.24 (Act 451 R 299.9212) through the identification of the regulated characteristics that the waste exhibits.
