

SERVICES TERMS AND CONDITIONS

1. APPLICATION. These terms and conditions shall apply to all services requested by a customer ("Customer") pursuant to a purchase order, price confirmation, or other similar document issued to, or from, the performing US Ecology affiliated company ("Contractor") that involve the transportation, treatment, storage, disposal, recycling, emergency response, or other services (collectively, "Services"), which may be related to certain waste or other material ("Waste"). Customer and Contractor may be referred to herein as "Parties" and individually as "Party". The purchase order, price confirmation, or other similar document along with these terms and conditions are referred to herein collectively as the "Agreement".

2. PROCEDURE. Except as otherwise directed by Contractor, Customer will submit to Contractor a completed waste product questionnaire ("WPO") or similar document describing Waste to be managed or Services requested, and provide a representative sample (if Contractor requests). Submission of a completed WPO constitutes Customer's request that Contractor perform Services. Contractor will indicate its approval of a WPO or Service request by sending Customer a waste approval letter, price confirmation, or similar document (if necessary) that sets forth pricing and specific terms and conditions for the Services. Contractor is not required to perform an exhaustive analysis of the Waste in order to identify every constituent or contaminant in the Waste, nor will any Contractor analysis relieve Customer of its responsibility to ensure the Waste conforms to the subject WPO specifications. Contractor does not guarantee that it will accept any particular type of Waste upon receipt of a WPO. Customer authorizes Contractor to immediately commence performance of the requested Services as Contractor deems necessary. Customer further authorizes Contractor, unless otherwise stated in a scope of work or similar document requesting Services, to determine all aspects of the Services in Contractor's sole discretion.

3. NONCONFORMING WASTE. Any Waste which deviates from the specifications set forth in the WPO, or contained in any representative sample or supporting information or analyses, or that could alter the hazard, risk, or cost assumed by Contractor in conjunction with its performance hereunder, or cause Contractor to be in noncompliance with any permit or other authorization is nonconforming waste ("Nonconforming Waste"). If Contractor determines that any Waste is Nonconforming Waste, it will have the right to reject, revoke acceptance of, or determine alternative disposal for, such Nonconforming Waste and convey it to Customer or another location. In such event Customer will pay Contractor's reasonable costs for the handling, analysis, transportation, repackaging, and time involved in conveying such Nonconforming Waste to Customer or other location, or arranging for alternative disposal.

4. TITLE AND LIABILITY. Title to Waste, together with all responsibility and liability in connection therewith, will pass to Contractor upon Contractor's acceptance of the Waste at Contractor's facility unless shipment of the Waste is the responsibility of Contractor, in which event title, responsibility and liability will pass upon delivery to, and acceptance by, Contractor at the commencement of shipment. Title and liability for Nonconforming Waste will remain with Customer at all times, regardless of whether physical possession of Nonconforming Waste has passed to Contractor.

5. LOADING AND TRANSPORTATION. Transportation of the Waste will be the responsibility of Customer unless Customer arranges with Contractor for Contractor to provide transportation. Customer will be responsible for proper and

legal loading of the Waste on vehicles provided or arranged for by Contractor. The Parties agree and understand that reasonable, justified refusal by drivers or other employees of Contractor or its subcontractors to load, transport, handle, dispose of and/or recycle Nonconforming Waste will not be considered a breach of this Agreement.

6. CUSTOMER WARRANTIES. CUSTOMER WARRANTS AND REPRESENTS TO CONTRACTOR:

A. The data and information referenced herein, and in the WPO(s), are correct and in accordance with all applicable waste regulations.

B. The Waste delivered to Contractor will conform to the description provided in the WPO(s) and representative samples, supporting information, and analyses.

C. Customer has advised Contractor of all known potential health and environmental problems associated with the Waste.

7. CONTRACTOR WARRANTIES. CONTRACTOR WARRANTS AND REPRESENTS TO CUSTOMER:

A. Contractor is engaged in the business of performing the Services and has appropriate expertise, facilities, and ability to perform the Services in a lawful manner.

8. INDEMNIFICATION

A. CONTRACTOR INDEMNIFICATION. Contractor will indemnify and hold harmless Customer, its officers, directors, employees, and agents from such civil penalties, costs, claims, and causes of action, including court costs and reasonable attorney fees, that may be brought or incurred on account of death or bodily injury to any person; damage to any property; injury to, destruction of, or loss of natural resources; or any violation of any federal or state law, regulation or municipal ordinance ("Losses"), to the extent arising out of Contractor's negligence, willful misconduct, breach of warranty, or failure to perform Services in accordance with this Agreement.

B. CUSTOMER INDEMNIFICATION. Customer will indemnify and hold harmless Contractor, its officers, directors, employees, and agents from such Losses to the extent arising out of Customer's negligence, willful misconduct, breach of warranty, provision of Nonconforming Waste, or failure to perform its responsibilities related to this Agreement.

C. CONSEQUENTIAL DAMAGES. Neither Party will be liable for, and each Party waives any claims against the other for, any consequential, special, or punitive damages, including, for example, lost revenues, lost profits or loss of prospective economic advantage resulting from performance or failure to perform under this Agreement, whether or not the Party was advised of the possibility of such damages.

9. INDEPENDENT CONTRACTOR. Neither Contractor nor any of its employees will ever be considered Customer's employee, agent, or representative under this Agreement. Neither Party will have any authority to employ any person as an employee, agent, or subcontractor on behalf of the other.

10. AFFILIATES. The term "Affiliate" means any existing or future entity that controls, is controlled by, or is under common control with, Contractor. At any time during this Agreement, an Affiliate may perform Services for Customer under the same terms of this Agreement pursuant to a proposal, purchase order, or similar document, signed by both Customer and Affiliate, which references this Agreement. When an Affiliate so performs, all references to Contractor herein will refer only to the Affiliate performing the Services, as if this Agreement was entered into only between that Affiliate and Customer. In no event will Customer hold Contractor, or any other nonperforming Affiliate, liable or jointly liable for Services that were not performed by Contractor or other Affiliate, by virtue of the fact that Services were performed by a particular Affiliate.

11. CONFIDENTIALITY. Contractor and Customer will treat as confidential and not disclose to others, except as required by law or legal process or necessary to perform the Services, any information regarding the other Party's plans, business, plants, processes, products, costs, equipment, operations, or customers which may come within its knowledge in the course of this Agreement. The foregoing obligations will survive the termination of this Agreement for a period of 3 years.

12. FORCE MAJEURE. The Parties agree that any delay or failure of either Party to perform under this Agreement, except for the payment of money for Services rendered, will be excused to the extent caused by acts of God, strikes, action of regulatory agencies, fire, flood, windstorm, explosion, riot, war, sabotage, or other reasons beyond the reasonable control of the Party affected. Contractor will also be excused from performance if it loses, or has suspended, any license, permit, or other authorization necessary for its performance. The delayed Party will provide prompt notice of such delay and work diligently to remove such cause.

13. SAVINGS CLAUSE. If any part of this Agreement becomes invalid for any reason, the validity of the remaining Agreement will not be affected.

14. PAYMENT. Contractor will submit each invoice to the address directed by Customer. Customer will pay in cash at the time Waste is accepted, or at the time the emergency response or other services are provided, unless credit has been approved by Contractor, in which event Customer will pay within 30 days of invoice date at the address indicated on Contractor's invoice. All amounts outstanding more than 30 days after invoice date will bear interest at the rate of 1 ½ % per month. Customer will notify Contractor of any disputed amounts within 30 days of the invoice date. The portion of any invoice not disputed within such period will be deemed accepted by Customer. During the 10 business days following notification of a disputed amount, the Parties will attempt in good faith to resolve said amount and, if resolved, Customer will immediately pay the agreed-upon amount to Contractor.
