Re: WACS 44633 – US Ecology Tampa, Inc.

Dear Mr. Locke:

I reviewed the documentation submitted to demonstrate financial assurance for the above referenced facility and find it is in order. Westchester Fire Insurance Company bond rider executed on March 29, 2019 (received on May 20, 2019), increases the penal sum of performance bond number K08867148 to \$146,543.00. This is the amount of the Department approved closing cost estimate dated March 4, 2019. An additional rider executed on October 4, 2018, changed the facility (intending to be both Principal and facility, based on subsequent rider) to "US Ecology Tampa, Inc." In addition, your standby trust fund agreement with U.S. Bank National Association (account number 744691000) was amended on November 20, 2018, and remains in good standing. Therefore, the US Ecology Tampa, Inc. facility is in compliance at this time with the financial assurance requirements of Rule 62-701.630, Florida Administrative Code, that adopts 40 CFR Part 264, Subpart H by reference.

Please contact me at (850) 245-8743 if you have any questions.

Sincerely,
