Re: Industrial Discharge Permit for Facility #1083

Dear Mr. Erickson:

Please find the enclosed *revised* Industrial Wastewater Discharge Permit for the above referenced facility. The revision was necessary due to the company name change. Unless the City of Tulsa exerts their authority to modify or revoke this permit, the permit shall remain in effect until February 28, 2023. **An annual permit fee will be assessed.**

Please note the Pollutant Discharge Limitations in Section I, Self-Monitoring Requirements listed in Section II and the Reporting Requirements specified in Section III. You may not receive any other advance notice of impending report due dates.

Pursuant to the procedures set forth in Section 1204(G) of Title 11-C of the City of Tulsa Code of Revised Ordinances, persons desiring to dispute this action must file a written request for reconsideration to the City of Tulsa, 4818 S. Elwood Ave. 74107, within fifteen (15) days following the receipt of this notice.

If you have any questions feel free to contact Bryan Smith at (918) 591-4389, Cindy Cantero at (918) 591-4393 or myself at (918) 591-4396.

Sincerely,

Jo Brown, Manager
Water Quality Assurance
