is hereby authorized to discharge industrial wastewater from the above identified facility and through the outfall identified herein into the sanitary sewer system tributary to the South Huron Valley Wastewater Treatment Plant in accordance with the conditions set forth in this permit. Compliance with this permit does not relieve the permittee of its obligation to comply with any or all applicable Pretreatment regulations, standards, or requirements, or laws that may become effective during the term of this permit.

Noncompliance with any term or condition of this permit shall constitute a violation of the South Huron Valley Utility Authority Rules and Regulations.

If the permittee wishes to continue to discharge after the expiration date of this permit, an application must be filed for permit re-issuance in accordance with the requirements of Article V, Section 4 of the Rules and Regulations, a minimum of 90 days prior to the expiration date.

The permittee shall pay an ANNUAL SURVEILLANCE FEE OF \$4,095.00 for the current year of this permit, in accordance with the conditions of Part II.A.4 of this permit. Permit fees are subject to yearly evaluations and adjustments based on flow, number of constituents monitored, and any other factors influencing the costs associated with the administration of the Industrial Pretreatment Program.
