Subject: **Financial Responsibility Compliance for 2020**

Dear Mr. Dean:

The Department has reviewed the documentation submitted to demonstrate financial responsibility for the above referenced facility. The sixth rider to Westchester Fire Insurance Company performance bond number K08867100, effective December 31, 2019, indicates an amount of **\$704,652** to cover the inflation adjusted closure cost. The corresponding standby trust fund agreement was established on December 18, 2003 between now US Ecology Tampa, as Grantor, and US Bank, as Trustee. In addition, the Tokio Marine Specialty Insurance Company certificate of liability insurance policy number PPK2012586, effective August 1, 2019, demonstrates the required coverage for sudden and nonsudden accidental occurrences.

Therefore, US Ecology Tampa is in compliance with the hazardous waste facility financial responsibility requirements of 40 CFR Part 264 Subpart H, as adopted by reference in Rule 62-730.180 of the Florida Administrative Code.

If you have any questions, please contact me at 850-245-8793.

Sincerely,

*Edgar Echevarría*
