

VSQG/CESQG Certification Supplement Instructions

Introduction

This guidance document was prepared to assist in completing US Ecology’s VSQG/CESQG Certification Supplement. The Waste/Material Profile Form (WMPF) and its supplements provide the necessary information to safely and compliantly manage our customer’s waste/material. Completing all documents thoroughly aids in expediting the approval process. Current copies of the WMPF and supplements are available on US Ecology’s website (www.usecology.com).

For specific waste/material acceptance questions and/or instructions for US Ecology facilities outside of the United States, please contact our customer service team at 800-592-5489.

Continued from WMPF question A6

Certification	➤ By checking the certification statement and signing the supplement, it is understood that the generator identified in Section A of the WMPF meets the definition of VSQG/CESQG as outlined in 40 CFR 262.14
