Facility: Manifest:

Page	Line	Approval Code	Action
1	1	ALKALINESOIL - ALKALINE SOILS	+ [10]

Waste Water Type: NWW

Waste codes:

Hazardous Constituents:

Subcategory(s):

Certification: Waste Soil treated to alternative standards (40 CFR 268.7 (b) (4)) I certify under penalty of law that I have personally examined and am familiar with the treatment technology and operation of the treatment process used to support this certification and believe that it has been maintained and operated properly so as to comply with treatment standards specified in 40 CFR 268.49 without impermissible dilution of the prohibited wastes. I am aware that there are significant penalties for submitting a false certification, including the possibility of a fine and imprisonment.

11.) If the selected profile is a Labpack; Waste Codes and Subcategories can be edited to reflect the shipment that is being prepared.
